“I wanted to take a moment to express my appreciation for your service in providing such a well-produced packet for our church. It has been a real blessing to our members and business owners. For years we have toyed with the idea of providing our church with a business directory. We had a few reservations believing this project could be effortless and at no cost, as promoted. Yet, **it was not a burden on our staff and there was absolutely no cost to our church.**

**In discussing this project with our business owners, we have heard nothing but positive comments** made concerning the handling of their advertisement spots. Because of the amount of participation generated, we were able to give each membership household a copy of the directory, as well as hand them out to new members on an ongoing basis.

We have found our beautifully designed directory to be a wonderful way to promote our business connections within our community.

Again, thank you for your service in providing this free resource; it was a pleasure working with your team.
