

MOUNT PARAN NORTH CHURCH OF GOD

"Build Up-Bridge Out: Connecting to Christ and connecting Christ to the community"

February 15, 2005

To Whom It May Concern:

This letter is in reference to Kingdom Press and its owner Craig King. We recently partnered with them to put together a personal telephone and address directory, which is not only designed to allow people to record their personal telephone numbers and addresses but to also advertise the church. Craig King and Kingdom Press did all the work at no cost to the church budget. The end product is of great quality and a very useful tool to place in the hands of church members and first time attenders.

We highly recommend Kingdom Press for this project. Their work is professionally done and we believe you will be completely satisfied.

Sincerely,

Mark L. Walker
