To Whom It May Concern:

I am delighted to recommend the services of Kingdom Press and its owner Craig King. I have known Craig for more than 15 years. The address books are an excellent gift for your membership, first time visitors, shut-ins, and hospital visits. This is a great way to tell people about your church and offer a plan of salvation. When Craig did this project at North Cleveland, he and Kingdom Press did all the work at no cost to the church. The end product met and exceeded our expectations.

We highly recommend Kingdom Press and Craig King. Their work is professional; and we believe you will have a good experience with Kingdom Press.

If you have any questions, please do not hesitate to call.

Sincerely in Christ,
